

# AGE-FRIENDLY NURSING HOME STRATEGIES

**The USC Geriatric Healthcare Collective (GHC), a Geriatric Workforce Enhancement Program (GWEP), in partnership with the Los Angeles Ombudsman Program, administered by WISE and Healthy Aging aims to address the training needs of nursing students in five local nursing homes.**

## Benefits to Nursing Homes

- Improved care for dementia patients
- Better response to dementia-related behavioral problems
- Consistent application of Age Friendly principles of care
- Greater CNA job satisfaction
- Improved communication with patients and family caregivers
- Access to Age Friendly geriatric care equipment

This project is/was supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U1QHP28740, Geriatrics Workforce Enhancement Program for \$3.5 million. This information or content and conclusions are those of the author and should not be construed as the official position or policy or, nor should any endorsements be inferred by, HRSA, HHS or the U.S. Government.

## 3 LESSON CURRICIULUM

Principles of Age-Friendly nursing

Management of behaviors related to dementia

Cross Cultural Training for CNA's
