

Student Senior Partnership Program (SSPP)

Home Visit #2 FACULTY GUIDE: RELATONSHIP TO FAMILY FRIENDS AND COMMUNITY

30 minute Pre-visit phone meeting guide:

- Review Home Visit #2 Curriculum
- Review the following HV questions with the student team:
 - Interview your senior partner to obtain a list of current and past relationships to friends, family and community.
 - Ask your senior about activities which they have been or are involved.
 - Explore with your senior partner their past and present use of community resources and explore their needs for new ones.
 - Ask how your senior partner learned about any resources used and how he/she accessed this service. Did your partner find the resource independently or did someone help? Who?
 - Ask your senior partner if he/she considered him/herself to be a community resource?
- Discuss importance of relationships and feelings of connectedness
- Discuss who will do what at home visit
- Remind students to take pictures for creative project to be presented at wrap-up symposium
- Set up de-brief phone meeting

30 minute Post-visit phone meeting guide:

- Review Student Reflection questions with student team:
 - 1) Based on your interview with your senior partner, how well connected and supported are they by family, friend's and the community?
 - 2) What are your senior's unmet needs in regard to family, friends and their community?
 - 3) What role does culture play in your senior's relationship with family, friends and community?

SSPP

- 4) What 3 things did you learn and from whom?
 - 5) What happened today that surprised you?
 - 6) How will what you learned today change the way you will care for an older adult?
- Discuss how worked together as a team
 - Set up next phone meeting
