IPGC Reflection Questions

1. What are three things you learned and from whom?
2. What did you learn that contradicted your pre-conceived notions about the elderly or your colleagues on your interprofessional team?
3. How will what you learned today change the way you care for or have thought about elder care?
4. How will what you learned today change the way you care for or have thought about working as an interprofessional team?
5. Other thoughts? Concerns/Problems/Questions
